# Sheep “Live to Dead” Event Escrick

**April 22 @ 8:00 am - 1:00 pm**  
**FREE**

This practical event, run by EBLEX & MLC Services Ltd, allows you to handle live animals and make your assessment of fat cover and conformation using the EUROP grid. You will then see the same animals on the hook in the chillers and the actual classification so you can compare the assessments made whilst the animals were alive. There will be plenty of opportunity to discuss various market requirements, factors affecting killing out percentages and dressing specifications.

*All attendees to these events must be 18 years and over.*

Join **EBLEX** for this **Sheep Live to Dead Event** on **Wednesday 22nd April 2015** from **8 am - 1.00 pm** at **A Traves & Son Ltd, Mansion House, Main Street, Escrick, York, North Yorkshire, YO19 6TP.**

Full details available at:

<http://www.eblex.org.uk/event/sheep-live-dead-event-escrick-2/>

# **RED AND GREEN MARKETS**

**Starting in April  
the LAST MONDAY MARKET  
in the MONTH  
will be a GREEN MARKET**

# Stephenson

Est 1871

& son

## **YORK AUCTION CENTRE WEDNESDAY 22 APRIL at 11am 150 HOLSTEIN, BROWN SWISS & AYRSHIRE DAIRY CATTLE**

Comprising the entire milking portion of the PARADISE herd of Messrs S G & L C Middleton, Wawne, Hull, plus consignments of freshly calved cows and heifers from CORRINGHAM, R V Winter & sons, BRAIMBER, Rebecca Jarvis, WINTON, P Waring and PARKHEAD, H Tinker & Sons - pedigree Ayrshires and Ayrshire X.

The PARADISE HERD contains roughly equal numbers of Holsteins and Brown Swiss. The Holsteins contain many members of well known cow families, including **August, Peach, Rhapsody, Roxy, Ruby** and **Scarlet**. The Brown Swiss included many German imports from leading families and others descended from the good Hunday and Kedar herds.

The cows are cubicle house and **milked through Lely Robots**. The current rolling average for both breeds is 8,829kg at 3.54% (3.32), Latest SCC = 129. The herd calves all year round although there will be quite a good proportion of cows calved this year and in full milk.

This is a most attractive sale for both pedigree enthusiasts and commercial producers, especially those milking with robots and is strongly recommended.
