## FAT PIG REPORT

The summer holiday season is upon us bringing with it the annual fall in trade. Generally the demand is still good with strong competition for all types but just at a lower level of price and approximately 5p back on last week. G H West managed to get 141p/kg and 140p/kg with their gilts to Ainsty Farms Direct and TH Motson & Sons but otherwise the best gilts were 134-138p/kg.

Sows remain similar with averages remaining over the 60p marker.
