2. **ELECTRICAL ITEMS:**
- All electrical items must have a current electricians safety certificate before they can be offered for sale.
  - An electrical safety testing service will be available at the saleground on the morning of the sale between 8am and 9am. The cost of the service is £2 plus VAT per item tested.
3. **DELIVERY & REMOVAL OF LOTS:**
- Saleground opening times for delivery of lots are set out on the entry forms and in the catalogues.
  - Any lots delivered on sale day must be unloaded and placed on their lot numbers by 8.30 am.
  - The main entrance area to the salefield, together with the loading ramp, will be closed for vehicles between 9am and 3pm.
  - Restrictions will apply to fork lift loading services on sale days until after 3pm to maintain safe loading practices.
  - Use of the loading ramp will not be available until after 3 pm.
4. **LOADING/UNLOADING SERVICES:** A fork lift is available free of charge to assist with the loading/unloading of lots and a loading ramp is also available. These facilities are provided entirely at the risk of the Vendor or Purchaser who must be responsible for supervision and the Auctioneers accept no liability whatsoever. Loading will only be undertaken in daylight hours for safety reasons.
5. **PTOs, DOCUMENTS, KEYS & MANUALS:**
- Vendors:** These must all be handed in to the site office for safe keeping on delivery of the lot to the saleground.
- Purchasers:** If any of these are held at the site office it will be announced by the Auctioneer at the time of sale.
6. **VENDORS RISKS:** All lots are accepted and remain on the saleground entirely at the vendors risk. No liability is accepted for loss or damage whatsoever unless the vendor has completed and agreed to the insurance provisions as set out on the machinery sale entry form.
7. **PURCHASERS RISKS:** On the fall of the hammer all lots remain on the saleground entirely at the purchasers risk. No liability is accepted for loss or damage whatsoever.
- Temporary compounds are located at all 3 salefield exit gates where small items can be handed in for safe keeping until a receipted invoice is obtained.**
8. **SECURITY:** To assist with the security of lots whilst remaining on the saleground, security guards will be on duty during the Monday, Tuesday and Wednesday nights of the sale week.
9. **VALUE ADDED TAX:** VAT at the standard rate will be charged on all lots except those marked by an asterisk in the catalogue.
10. **VIEWING:** The saleground is open for viewing on the Tuesday prior to sale day until 7 p.m. and morning of sale from 8.30 a.m.
11. **PAYMENT ARRANGEMENTS:**  
All lots must **BE PAID FOR ON THE DAY OF THE SALE** and before removal from the saleground. Payment can be made by cash, cheque or card subject to the following:-
- 11.1 **Cheque payments** from purchasers who are unknown to the Auctioneers must make one of the following arrangements **BEFORE THE DAY OF THE SALE:**
- Provide a letter from your Bank addressed to York Machinery Sales confirming the amount up to which cheques can be accepted. The letter should include your account name and number and an authorised bank signature. This letter should be given to our cashiers at the time of payment.
  - Inform your own Bank that you wish to pay by cheque, stating the maximum amount you are likely to spend and ask for them to instruct our bankers by fax that it will be in order to accept your cheque. Our bank details are available upon request.
  - Arrange with your Bank Manager for the issue of a guaranteed cheque or bankers draft to be brought with you.
- 11.2 **Credit Card and Debit Card payments** can be made by **VISA, DELTA and SWITCH** only. A SURCHARGE OF 2% plus VAT is payable on the total purchase price on all **Credit Card** transactions.

- 11.3 **Cash Payments:** In order to comply with the **Money Laundering Regulations 2003**, we are no longer able to accept cash payments for sums in excess of £7,500. This includes single payments and multiple payments amounting to this sum.
- 11.4 **Inter Bank Transfers:** Please ask our accounts department for details.

**HEALTH & SAFETY NOTICES**

Do not stand or walk on any of the lots on the salefield. Use care when examining lots as they may become unstable or move thereby causing injury to the individual or bystanders.

Potential purchasers must satisfy themselves that tractors or any other engine driven lot is safe to start and complies with current Health and Safety Regulations. Before starting any tractor or engine driven lot the operator must check that::

- It is safe to start the engine
- The surrounding area is free from bystanders
- Gears and hydraulics are disengaged
- If starting a tractor across the solenoid, 2 people are present, 1 in the driving seat having control of the clutch and brakes and that the tractor is in neutral

Please drive around the saleground slowly and sensibly at all times, be aware of pedestrians and observe the 10 mph speed limit.

**FARM SAFETY REGULATIONS**

**THE ATTENTION OF PURCHASERS**

of Agricultural Tractors & Machinery is drawn to the provision of the  
**HEALTH & SAFETY AT WORK ACT 1974,**  
the **AGRICULTURE (FIELD MACHINERY) REGULATIONS 1962,**  
**AGRICULTURAL (TRACTOR CABS) REGULATIONS 1974**  
**AND**  
**ALL OTHER ACTS & REGULATIONS APPLICABLE TO FARM SAFETY.**

Purchasers are reminded of the provisions of the above Acts regarding the safety guarding of Machinery and implements and that some of the machinery sold at this sale may not immediately comply with the Regulations issued there under. It is an offence to use any machinery which does not comply with the Regulations laid down in the Acts and Regulations and accordingly it is a Condition of the Contact of Sale relating to the use of such machines and implements as shall be purchased must comply with the above regulations before use.

## SALE DAY TRAFFIC

There is always a traffic congestion problem with the volume of vehicles leaving site between 4 p.m. and 6 p.m.

Please note there is an easy alternative by leaving our sale ground via the bottom entrance and turning **left** onto Murton Lane. Take the first turn left as you get to Murton village and then follow the road round which will take you up to a set of traffic lights by B & Q. Turn left and this will then take you directly to the other side of the main roundabout over the A64 next to our site.

**2. STATUS OF CONDITIONS OF SALE**

- (i) The vendor has agreed to adhere to these conditions by signing the entry form.
- (ii) Any person attending the sale is deemed to attend on the understanding that they have read and understood these conditions and shall make any bid on the basis of these conditions.
- (iii) The Auctioneers may supplement or supersede these conditions in whole or part with special conditions applicable to a specific sale or a specific Lot which will be displayed and/or announced at the start of the sale.
- (iv) No employee or agent of the Auctioneers has any authority to vary these conditions.
- (v) Any dispute arising under this contract or the conditions of sale shall be determined in the first instance by the Auctioneers whose ruling shall be binding on the conduct of the auction. If such an issue (including any dispute under Clause 20) remains in dispute after the auction it may be referred by the purchaser, the seller or the Auctioneers to arbitration or if the parties agree independent expert determination within the period of ten working days starting on the date of the sale by a person agreed between the parties in dispute or failing such agreement by a person appointed by the President of the Central Association of Agricultural Valuers on the application of any of the parties within that time paying such fee as may be charged for that service. The parties agree to meet the professional fees and costs of that person as he shall direct and to be bound by his award both as the matter of the dispute and as to the parties' costs.
- (vi) Any indemnity under these conditions shall be an indemnity in respect of all actions proceedings and costs including legal costs expenses claims and demands whatever incurred or suffered.

**3. ENTRY TO THE SALEGROUND**

- (i) Any person entering the saleground does so at their own risk.
- (ii) Any person entering the saleground must comply with the requirements of all health and safety notices.
- (iii) The Auctioneers reserve the right to refuse admission to any person or entry of any Lot onto the

saleground without giving any reason.

**4. AUCTIONEERS' STATUS**

- (i) The parties to the contract of sale are the vendor and purchaser. The Auctioneers sell as agents for the vendor and as such are not responsible for any default of the vendor or purchaser.
- (ii) The Auctioneers shall have discretion as to the description of any items and may take expert advice on any item, whether from a qualified electrician, agricultural engineer or other person at the vendor's expense to ensure that the item is sold in a professional and legal manner.
- (iii) The Auctioneers may make such announcements or publish such information supplied by a vendor about any Lot as they in their discretion think fit.
- (iv) The Auctioneers shall have absolute discretion without giving any reason to refuse any bid, divide any Lot, combine any two or more Lots, withdraw any Lot from the auction, and, in case of dispute, offer any Lot for sale again.

**5. EXCLUSION OF LIABILITY**

The Auctioneers shall not be liable for any expense loss claim or proceedings in respect of any loss or damage whatsoever to property real or personal (including any Lot) nor in any respect of personal injury to or death of any person before or arising out of or in the course of or caused by the sale except to the extent that the same is due to the negligence of the Auctioneers.

**6. VENDOR'S WARRANTIES**

The vendor warrants to the Auctioneers and to the purchaser:

- (i) His identity.
- (ii) That he is the true owner of the Lot or is authorised by the true owner to act as Agent in offering the Lot for sale.
- (iii) That he is able to transfer a good and marketable title to the Lot free from any third party claims liens and encumbrances.
- (iv) That no Lot is subject to a hire purchase lease contract hire or any other similar agreement or has been recorded by an insurance company as a write off or as subject to a major insurance claim.
- (v) That all statements on the entry form are correct so that the Lot is not misdescribed being aware that providing a false description can be an offence under the Trade Descriptions Act 1968 and the Fraud Act 2006 punishable by a fine or imprisonment.
- (vi) That as far as reasonably practicable he has taken sufficient steps to ensure the Lot is safe and without risk to health and safety and that suitable testing and examination has been arranged and that he indemnifies the Auctioneer against all claims under the Consumer Safety Act 1978 and Part 1 of the Consumer Protection Act 1987.
- (vii) That he has declared in writing on the entry form any risk posed by the Lot to health and safety so that it is clear to the Auctioneer and prospective purchasers.
- (viii) That unless previously disclosed to the Auctioneers any vehicle entered is in a roadworthy condition and complies with regulations made under Section 41 of the Road Traffic Act 1988 and has the benefit of any unexpired vehicle excise licence and any current MOT certificate relating to it which will be transferred to the purchaser.

- (ix) That he will provide all operators' handbooks and instruction manuals in his possession for the Lot.
- (x) That where information required by this Clause has not been provided or the Auctioneers have reason to doubt it the Auctioneer may using his powers under Clause 4(iii) above instruct a suitably qualified person to inspect the items and report on any such matter the cost of which shall be borne by the vendor.
- (xi) The he will indemnify the Auctioneers, their servants and agents and the purchaser against any loss or damage suffered by them in consequence of any breach of the above warranties.

**7. CATALOGUES AND ADVERTISEMENTS**

- (i) The Auctioneers do not guarantee that any Lot described in any catalogue or advertisement will be offered for sale nor that any description therein can be relied upon as accurate. Any illustrations in catalogues are for general identification only.
- (ii) The Auctioneers will not be responsible for any costs incurred by any person in reliance on the description of a Lot in the catalogue an those attending the auction will have no claim against the Auctioneers for their costs should any advertised Lot not be offered at that sale.

**8. REGISTRATION DOCUMENTS, ETC**

- (i) The vendor must submit all vehicle registration documents and any relevant MOT and/or test certificates to the Auctioneers no later than 5pm on the day of the sale.
- (ii) Following the sale of any vehicle, the Auctioneers shall not pay over the sale proceeds to the vendor until the vendor has given to the Auctioneers the V5c/registration document for that vehicle, a signed declaration that the V5c/registration document is lost or a declaration of non-registration.
- (iii) If the vendor fails to notify the Auctioneers prior to the sale that the V5c/registration document has been lost, then the Auctioneers reserve the right to apply for a duplicate V5c on behalf of the purchaser and charge the vendor the DVLA fee together with an administration fee of £15 plus VAT.

**9. INSURANCE:**

An optional insurance cover against theft is available to Vendors for lots whilst on the saleground during the sale week from Monday 7 a.m. to Thursday 5 p.m. The premium shall be charged at the rate of 2% of value and cover is subject to a £20 excess. To implement the cover the declaration on the entry form must be completed prior to delivery of lots to the saleground.

**10. WITHDRAWAL OF A LOT**

In all cases where a Lot once entered is not offered for sale on the vendors instructions the Auctioneers shall be indemnified by the vendor for all expenses incurred in relation thereto and against all claims from third parties that may arise.

**11. PRIVATE SALES**

- (i) Any Lot included by the vendor on an entry form and accepted by the Auctioneers onto the saleground to be offered for sale must be offered for sale by auction and must not be sold privately before the sale for which it was entered. The Auctioneers shall not be liable for any breach by the vendor of this condition.
- (ii) The Auctioneers' consent is required for the private sale of any Lot after the sale while it is on the saleground. That consent may be given on condition that the sale is booked through the Auctioneers' office subject to these conditions and in particular that any fee commission buyer's premium charge or expense

due under the entry form or otherwise apply as though that Lot had been sold by auction at a hammer price equal to the priced agreed for the private sale.

- (iii) Where a Lot is not sold at the sale and remains on the saleground the Auctioneers reserve the right to sell it privately at no less than any reserve price set for it without further consultation with the vendor.

**12. WARRANTY AND INSPECTION OF LOTS**

- (i) The Auctioneers' knowledge of the Lots is dependent on information provided by the vendor who has warranted as to its accuracy. The Auctioneer does not carry out exhaustive due diligence on each Lot. The information supplied is not a representation of fact but a statement of opinion on the basis of the evidence available to them. Bidders acknowledge these points and accept responsibility for carrying out inspections and investigations to satisfy themselves as to the Lots in which they may be interested.
- (ii) Where the vendor has declared any health and safety issues regarding a Lot or the Auctioneers have become aware of any such issues details of the matter will be available to bidders at the Auctioneers office on the saleground.
- (iii) It will be for the bidders to satisfy themselves as to health and safety matters. Bidders, including the purchaser, acknowledge that Lots have generally been used and are of an age and type which means they are not in perfect condition. As such they may not comply with current health and safety legislation and may have faults not expressly referred to in the catalogue or the other information that may be available on individual Lots from the Auctioneers.
- (iv) The purchaser must satisfy himself prior to bidding for a Lot as to its condition and should exercise and rely on his own judgement as to whether the Lot accords with its description. The Auctioneers shall have no liability for the accuracy of the description of any Lot. Unless otherwise stated, no warranty is given by the Auctioneers to the purchaser in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law. It is the purchaser's responsibility to check the Lot and ensure that its subsequent use is compliant and that identified health and safety concerns are rectified.
- (v) If a Lot is described at the time of the sale as in "working or running order" that Lot is understood to have no defect which renders it incapable of the reasonable work for which it is intended. Any Lot so described must have a key, control box, PTO shaft, starting handle, as appropriate.
- (vi) A Lot including any electrical item will have been inspected by an electrician. Where electrical equipment is sold without specific instructions for its use it is the responsibility of the purchaser to seek independent advice as to its safe operation. The Auctioneers shall have no liability for the safe operation of the item by the purchaser.
- 13. VEHICLES AND TRAILERS:**
- (i) All express and implied conditions and warranties relating to any vehicle are excluded so far as the law allows.
- (ii) Bidders are advised that if a vehicle is described as unroadworthy it is illegal for it to be used on the road in Great Britain unless it is put into roadworthy condition.
- (iii) Any reference to the year of a motor vehicle refers to the year in which it was first registered in the United Kingdom.
- (iv) A person on becoming the purchaser of any vehicle or trailer is forthwith responsible for complying with

- all the legal requirements as to the roadworthiness construction and use of such vehicle or trailer and for obtaining all certificates permits or other authorisations necessary before such vehicle or trailer can be used on the road. If the vehicle or trailer is not roadworthy it is the purchaser's responsibility to ensure its removal from the saleground in a safe manner and if it is thereafter to be used on the road to put it into roadworthy condition.
- (v) The purchaser warrants that he has third party liability insurance for his use of the vehicle or trailer.
- (vi) Following the sale of any vehicle the Auctioneers shall not pay over the sale proceeds to the vendor has given the Auctioneer the V5c registration book for that vehicle, a signed declaration that the registration book is lot or a declaration of non-registration or the purchaser confirms that he has now obtained a V5c document for the vehicle.
- 14. RESERVE PRICE**  
The vendor shall be entitled to place a reserve price on any Lot prior to the sale being the minimum amount for which the Lot may be sold.
- 15. BIDDING**
- (i) No person may bid without warranting their identity to the Auctioneers.
- (ii) Any person intending to bid as an agent for a potential purchaser must notify the Auctioneers in advance of the sale and confirm the arrangements for payment of the goods to the satisfaction of the Auctioneers.
- (iii) The Auctioneers may accept written instructions to bid on behalf of any prospective purchaser but with no liability in the case of any error arising out of such instructions. Any instructions accepted shall be at the risk of the prospective purchasers who will be deemed to have viewed the Lot. The Auctioneers accept no responsibility in connection with the commissioning of their staff to bid for a Lot. It is the responsibility of the bidder to ascertain if he has been successful.
- (iv) The Auctioneers may at their discretion make arrangements to receive bids over the telephone or otherwise from prospective purchasers not physically present at the sale. Where such a facility is offered prospective purchasers wishing to use it may register with the Auctioneers in advance of the sale. The Auctioneers accept no liability in relation to telecommunications facilities and connections nor to the means by which such prospective purchasers may seek to communicate with the Auctioneers.
- (v) Bids shall be made exclusive of VAT and buyer's premium which may apply.
- (vi) The Auctioneers may refuse to accept the bidding of any person without giving any reason.
- (vii) No vendor shall bid for any Lot that he has entered into the sale.
- (viii) Where the Lot is offered for sale on the dissolution of a partnership Clause 15(vii) does not apply.
- (ix) The person who makes the highest bid acceptable to the Auctioneers shall be the purchaser on the fall of the hammer.
- (x) A bidder is deemed to have inspected any Lot for which he is bidding and if successful in that bidding agrees to take it with all faults and imperfections and to be responsible for ensuring its subsequent compliance with the law.
- (xi) The purchaser warrants that he is able to pay in accordance with these conditions.
- (xii) In the event of a dispute between two or more bidders as to which is the purchaser the dispute shall be settled at the absolute discretion of the Auctioneers.
- (xiii) Transfers of purchases will only be recognised at the sole discretion of the Auctioneers.
- 16. PAYMENT BY PURCHASERS:**
- (i) Unless otherwise agreed with the Auctioneers the purchaser shall pay the Auctioneers in full on the day of the sale for the Lot purchased together with any charges buyer's premium or other payment due under these conditions before removing that Lot from the saleground.
- (ii) That payment is to be by a means approved by the Auctioneers.
- (iii) Where the purchaser offers cash in settlement the Auctioneers will not accept more than £7,500 (seven thousand five hundred pounds) for transactions at any one sale in order to comply with the Money Laundering Regulations 2007.
- (iv) Where a purchaser defaults on a payment the Auctioneers reserve the right to re-sell the Lot and to charge the purchaser for any expenses and loss incurred by reason of the failure of the purchaser to complete his purchase and to retain any profit that may arise from the resale.
- (v) The Auctioneers reserve the right to charge the purchaser interest on any payment outstanding from five working days after the sale together with any reasonable debt recovery charges such rates and charges for all transactions to be those prescribed for commercial debts by the Late Payment of Commercial Debts (Interest) Act 1998 as amended.
- (vi) If the Auctioneers have paid the vendor the sale proceeds due for a Lot before the purchaser has paid the Auctioneers in full for the Lot then the Auctioneers shall have a lien on the Lot until the outstanding amount is paid by the purchaser to the Auctioneers.
- (vii) In the event of any sale by the purchaser of a Lot before full payment has been made the purchaser shall hold the proceeds of such sale on trust for the Auctioneers to discharge the lien referred to at Clause 16(vi).
- 17. RESPONSIBILITY OF LOTS**
- (i) From the fall of the hammer for a Lot that Lot is the liability of the purchaser who is responsible for its safe use any damage to it and for complying with all legal requirements.
- (ii) The Auctioneers reserve the right to charge for handling and storage of any Lot remaining on the saleground longer than 8 days after the date of sale notwithstanding Clause 17(i) above.
- 18. BUYER'S PREMIUM:**  
Where the Auctioneers state before the sale in the catalogue or special conditions a buyer's premium together with value added tax may be charged to purchasers calculated on the basis of the hammer price at the rate to be stated in that announcement.
- 19. VAT:**
- (i) Value Added Tax at the standard rate will be charged on all lots except those marked by an asterisk in the catalogue or otherwise announced at the time of sale.
- (ii) All lots sold on behalf of non registered vendors will be sold under the VAT Auctioneers Margin Scheme unless written instructions are given to the contrary. Any registered vendor trading goods under the General Margin Scheme and requiring

- the goods to be sold under the Auctioneers Scheme must enter such goods on a separate form clearly stating that they are to be sold under the respective schemes.
- (iii) Where the vendor does not advise the Auctioneers of the appropriate rate of or status for VAT of a Lot the Auctioneer will apply the rate or status that appears appropriate from the information available to them and will not accept liability for any errors.
- (iv) The vendor agrees that the Auctioneers shall issue a self billed invoice in respect of all Lots sold and that the vendor will not raise his own VAT invoice for the supply of such Lots.
- (v) The Auctioneers will add VAT at the appropriate rate to the hammer price of a Lot.
- (vi) Where the vendor does not advise the Auctioneers of the appropriate rate of or status for VAT of a Lot the Auctioneer will apply the rate or status that appears appropriate from the information available to them and will not accept liability for any errors.
- (vii) The Auctioneers require purchasers from countries in the European Union who are registered for Value Added Tax to supply the Auctioneers with their VAT number or equivalent fiscal number and other relevant information so that the Lots purchased may be invoiced without VAT. Where this information is not made available or where the buyer is not VAT registered, VAT will be charged at the appropriate UK rate in addition to the hammer price of the Lot. This amount will not be recoverable. It is the responsibility of such a purchaser to ensure that he or his haulier completes and signs a "collection certificate" at the Auctioneers' office on collection of the Lot(s) purchased and provides a copy of a landing document, ferry receipt or equivalent so that the Value Added Tax is not charged at the standard UK rate and be irrecoverable.
- (viii) Purchasers from countries outside the European Union will be required to pay a VAT deposit equivalent to the standard UK rate of VAT on the Lot which will be refunded if within three months of the sale the Auctioneers are supplied with a satisfactory Bill of Lading or Certificate of Shipment as proof of shipment of the Lot outside the European Union, failing which the VAT deposit will be paid over to HMRC.
- 20. NOTIFICATION OF A DEFECTIVE LOT**
- (i) Where a purchaser alleges a breach of any warranty for a Lot, he shall notify the Auctioneers in writing clearly stating details of the alleged breach as soon as practicable and no later than 5pm on the Monday following the date of the sale and in any event before the Lot is removed from the United Kingdom.
- (ii) No Lot shall be subject to the complaints procedure unless paid for and any such payment subsequently stopped or dishonoured shall not constitute payment.
- (iii) The purchaser shall make the Lot available for inspection in the United Kingdom by the vendor, the Auctioneers and the duly appointed agents of either within five working days following the day on which the notification of the defective Lot is received.
- (iv) If there is a complaint against the Auctioneers it will be handled under the complaints procedure established by the Auctioneers to handle formal complaints made against their business.
- (v) If the complaint is against the vendor, the Auctioneers will notify the vendor of the alleged breach as soon as reasonably practicable and in the event of continuing disagreement any dispute will be handled under Clause 2(v). The Auctioneers obligation to account to the vendor for the sale shall be suspended until they are satisfied that the dispute has been settled.
- 21. RESALE DUE TO FAILURE TO COMPLY WITH THESE CONDITIONS**
- (i) Where a Lot has been sold to a purchaser who then fails to comply with the conditions the Auctioneers may, without prejudice to any other rights they may have, resell that Lot either by public auction or private contract. If the price achieved on resale is less than hammer price together with expenses arising the deficit shall be due as a debt from the original purchaser of the Lot.
- (ii) The defaulter shall not be entitled to any part of the proceeds which may arise by such a re-sale which shall remain the property of the Auctioneers.
- (iii) Expenses due from the defaulter shall be deemed to include the Auctioneers' commission on the resale and all other expenses that would be due on a sale under these conditions.
- 22. AUCTIONEERS' RIGHT TO ANNUL A SALE OF A LOT**  
Before making payment to the vendor in the event of any dispute or refusal to pay on the part of the purchaser the Auctioneers may entirely at their discretion annul and cancel the sale of such a Lot or Lots.
- 23. REMOVAL OF LOTS FROM THE SALE GROUND:**
- (i) No Lot whether sold or unsold may be removed from the saleground without the written authority of the Auctioneers. Passes for such removal must be obtained from the Auctioneers' offices and each Lot will be checked out by the Auctioneers or their duly authorised representative. The Auctioneers accept no liability for Lots while on the saleground whether sold or unsold.
- (ii) Any Lot which (without the express written consent of the Auctioneers) has not been collected within six months from the day on which it was sold or last offered for sale or such other period as shall have been announced in the special conditions will be deemed to be abandoned. The Auctioneers will then be entitled to dispose of such an abandoned Lot at their unfettered discretion. For the avoidance of doubt, any monies arising from such a disposal will be paid to and retained by the Auctioneers.
- 24. APPLICABLE LAW:**  
These conditions shall be governed by and construed in accordance with the law of England and Wales. All transactions to which these conditions apply and all connected matters shall also be governed by the law of England and Wales.
