	Passport No: 826046020163260	
	Welsh Section A pony, very pretty and lovely markings, but has not been measured. Dolly is for sale as she is getting wasted in the field. She was backed last year and has been turned out since due to not having a rider for her. She has had a saddle on since, and been long reined and lunged, and never bothered about it, she has never bucked or reared or done anything naughty. She showed in hand as a 3yr old winning and placed. She has also been lunged over poles and small fences and pops away nicely. She is basically ready for somebody who can spend a bit of time just re-educating her then she will be away. I think she would make a lovely little first ridden pony.
