Passport No: 826046050023540

A very kind and lovely natured mare. 'Dot' was bought last year for her super foal at foot. She came to us from her breeder so has not been passed from pillar to post or over used. She's very good to handle, good with farrier and good to load. We have loose jumped her and she has a great pop but she is for sale because we do not breed and the young showjumping jockeys are limited with time due to their ages and heights of ponies so we have to concentrate on the Top Track ponies. Her fantastic colt foal, which we have retained, should make 14.2 and like his mum is an absolute delight to have around.

14	Tinker	No VAT
	Piebald Mare	4yrs 13hh

Passport No: 826069000202504

This little mare is a real quality mare with a lot of potential in the right hands. Lunged over her first ever fence and made an amazing shape with lots of scope. She's a ride and drive, not driven in a while, but drove as 2 rising 3 for 6 months and was perfect. She has proved bombproof out hacking but not seen heavy traffic. She is very green in the school as never worked in one, just been doing the odd hack out with a 55 year old lady. She's not done much in the last year. A real show quality mare. A blank canvas for someone to produce.

16	Stanbeck Running Free (Rory)	No VAT
	Black Stallion	5yrs 13.2hh
	Sire: Towerview Spirit of Joy	
	Tebay Campbell Ton Victor	
	Mid Town Joy	
	Dam: Lownthwaite Ripple	
	Helton Dale Duke IV	
	Lownthwaite Ribes	

Passport No: 826027FP0072028

Rory is straight and correct and only here today through no fault of his own, but health problems within the family and persistent time wasters. He is a home bred fell stallion licenced for stud work. Broken late last year but very lightly schooled, so is a true novice on a simple snaffle. Although he has had great success in hand, he has never competed under saddle in the ring. He has always been in the first two placings in hand and always gives us great pleasure at the end of the day taking Champion or Reserve Champion and has always qualified for major end of year championships, i.e. PUK, Equifest, NCPA, and he qualified for Equestrian Life 2017. He lives in a mixed yard and handled and turned out daily, comes when called. A beautiful quality fell who always pleases the judge. We know he will pass his quality onto his stock and feel this will be passed on even to the old fashioned hill mares. Good with the farrier, easy to worm, good with the vet and excellent to load and travel. Rory will not be ridden on the sale day as he has never been through a sale environment. Rory has a wonderful temperament for a young stallion and has never bitten or kicked anyone; but feel he may be very vocal on the day.
