Chestnut

Mare

9yrs

16hh

Sire: Shan Shayne

Dam: Minka

Passport No: 826048000058897

Homebred Warmblood Sport-horse by the talented stallion Shan Shayne out of a pure bred Kinsky mare. Sold sound this beautiful mare has fantastic conformation combined with outstanding elastic paces. Same owner since birth however she has been out on loan for part of her life. Since returning she has been out of work for a year due to various other home commitments. I intended to breed with her but in some respects it would waste her talents and now a messy divorce has forced this regrettable sale. Like many spirited and talented horses she can occasionally sometimes be a handful to ride and has in the past thrown in a buck and a rear and consequently I would not recommend her for a novice rider. Lovely to handle inside and out of the stable. She would suit a competitive/knowledgable home to bring out her full potential. Floating paces for dressage but if jumping is your goal this lady jumps like a stag.
