6	Archie		No VAT
	Black	Gelding	4yrs 13.2hh
Passport No: 826073001539078			
Archie is an Irish cob. He is very laid back and easy to handle both in and out of the stable. He would suit a novice or even a riding school as he has such a laid back attitude; or he would suit someone with a bit of time to further his education in the school that will bring him on in his flat work. He will hack up the road on his own, but does prefer to go in company with him still being young and lacking confidence, with time and age this will improve. He will pop a small fence. Archie has been out jumping dykes and logs and shows keen and willing. Archie has been to local shows and also had a day hunting. Archie will stand all day and be loved, happily travels in a lorry or trailer. Up to date with teeth, vaccinations, wormed and farrier. Only selling as jockey is now ready to move to the next step.

<p>Beautiful registered Connemara mare for sale. Lovely conformation, a leg in each corner stamp. Has a lovely nature and a gentle temperament in stable, is not at all mareish. She is lovely to handle and can be dealt with by anyone. She rides well on the flat and has 3 good up hill type paces. She's a very quick learner and her schooling is coming along in leaps and bounds. She has a good jump and has jumped happily round a course of coloured fences including fillers, planks and water trays. She has been to many local show jumping shows and is well behaved away from home. She hacks out alone and in company at home and will go first or last in ride. She has done a few pleasure / 10 mile rides and has hunted a couple of times both in England and Ireland. She is a very willing mare with plenty to offer someone. Has been in same home since the start of last summer and has been brought on slowly. She's ready for someone to take further and will make a lovely all rounder type horse. A good home is wanted.</p>

Sire: Hobnob

Dam: Friendly

Passport No: 826073007355545

Cherikee is the ideal fun horse, she is forward going but never silly or spooky. She is great on the roads, in heavy traffic, and hacks alone or in company. She has hunted with her previous owner and has been jumped round a very bold 85cm track with myself. She's fantastic to do in all ways. Good to box, travel, farrier, catch. In the arena she works in a lovely outline with correct transitions and bend. She is bold and brave to a fence. Not a novice ride as is forward of the leg, needs a competitive home or capable rider. Will excel doing SH/WH/XC/Hunt/Show jump. 3 Excellent straight paces. Great with other horses and in open spaces. Would love her to go to a fantastic home and be used to her potential.
