	Sire: King of the Road		
	Dam: Gold Secret		
		Cold Sota	

Passport No: 826073001210640

Jambo is a home bred gelding by a coloured stallion and out of a standard bred mare. He was broken in at age 5 and then turned away to mature. He is for sale because we have no rider for him. He can hack out alone or in company as he is good in traffic, he loads well and travels better with a companion. He has jumped small fences but he is not a novice ride because he is very green and needs more schooling and general education. He would suit a lightweight adult, an experienced teenager or he would make a nice mother and child share. He could do well at endurance because of his breeding.
