34	Shirley		No VAT
	Brown	Mare	4yrs 14.1hh
	Sire: John Boy		
	Dam: Laurel		
Passport No: 826073001216287			
<p>Shirley is a fun pony with a big white blaze and four white stockings. A chunky weight carrying cob. I've had Shirley since she was 11 months old, unhandled. She's good to pick up all four feet/farrier, clip, loves being groomed. She's very friendly and used to a cat, hens, ducks and geese running around. Lives in or out. I broke her in July 2015. Very good to lunge. I have mainly hacked her out so does need schooling. She's happy to hack out on her own or with company. Has seen heavy traffic, school buses, dustbin lorry. Has walked, trotted and cantered in open fields and at the side of the motorway. Shirley is a very forward going pony and although she's done nothing wrong with me she is still very green. I have only lunged her over poles and she loves it. She has a nice pop to her and has cleared a metre fence on her own accord on many occasions. She has been out of work since the summer as I have left her to grow and mature. Shirley is good enough to show, will make a good ride and drive. She has her mane hogged and feathers clipped and looks a lovely hunting pony. She can be bolshy and strong to lead but not strong to ride. It's a sad sale as I don't have time to for her and she is ready to come back into work. Would like to keep in touch with her new family. She is not suitable for novice rider at the current time but in the right hands and more the experience she gets I can't see why she couldn't be.</p>
