	Bay	Gelding	7yrs 14.2hh
Passport No: 826073001641475			
<p>Ideal teenagers competition pony, Welsh X New Forest Gelding. This amazing pony is a little green and needs more miles on the clock but willing and eager to please. He has 3 balanced paces on the flat, he can have a nap at the gate but once you put a leg on, he will pass without any issues. He will go first or last, not spooky and good in all traffic, safe and sane in open spaces. He loves to jump both SJ and XC. Bold and brave, currently jumping 90cm courses but will jump 1.05m single fences with scope to go higher. He has been out hunting and happily goes middle or back of field popping fences as he goes. Rigsby has been to pony club and done mounted games where he is good with all equipment, he has done pony club camp away from home for a week and done all rallies. Snaffle mouthed at all times. Barefoot currently but has been shod previously. Loads and travels alone or in company. Lives in or out in a mixed herd. Passported, no vices, sad sale as daughter has lost interest and he is too good to sit in the field.</p>

<p>Fantastic to deal with in and out of the stable. No vices, snaffle mouth. Brilliant in heavy traffic, hacks alone or in company. Rides quietly in the school, but has done more hacking; so is slightly green. She is a very laid back sensible type, would suit most riders.</p>

She is nice to handle, but can be a little head shy until she gets to know you. She is a nice smart type. Has been out of work for a few months. For sale to settle a livery debt therefore SOLD WITHOUT WARRANTY . Would be a nice all rounder/driver/broodmare.
