She is good to worm and excellent with the farrier. A very kind and gentle mare she will be wormed and feet done to date. Very sad sale, 5* home wanted for this little girl. Caitlin was a bit of a naughty girl and managed to get covered when the farrier came last year! She has a lovely bay **FILLY FOAL AT FOOT** born in May this year and registered with the SPSBS. The foal's sire is Balgay Hoodle Noodle who was sold last September at this sale and who is being successfully shown by his new owner. The Vendor purchased Caitlin two years ago and had it not been for a sudden family bereavement, would have given her a forever home. It would appear she had previously not been handled much, or perhaps even mistreated somewhere. However, she does now feed out of a bucket and before she went to a foster home in January she would take a carrot out of the Vendors hand. She deserves a good retirement home, hopefully with her filly foal Muffin.
