Goldie has represented Pony Club at this year's Regional Championships at Eland Lodge, where their team finished 2nd overall in the Dressage, and just out of the placings as an individual Eventing. She has been a schoolmistress for her 15 year old rider competing at BE80, has attended Pony Club camp & hunts with the Hurworth. Hacks out alone or in company, used to traffic & farm machinery. Turned out alone or with other horses, good to clip & box, vaccinated & wormed up to date, with passport, no stable vices. Has to be sedated to be shod, but goes barefoot. She is a straightforward pony to look after, & only for sale as her rider wants to compete at a higher level & will soon be outgrown.

Registered Connemara gelding up to date with back, teeth, injections. Excellent in traffic and heavy farm machinery. Has hunted in Ireland, has show jumped in UK. Never been known to nap, rear or buck. Very forward going – needs a job to do. Suit a competition/Riding Club home. Lack of time forces a reluctant sale.

Passport Number 826074001321330

Sire Ditto

Poppy is a sweet mare who would make a lovely all-rounder. She has lovely conformation to show/working hunter and also has an amazing neat jump. She has unfortunately been a field ornament due to lack of time, so has not been ridden since broken at 3. She has superb jump breeding including Nabab de Reve, Quidam de Revel and Capitol so would make a nice brood mare. Sold sound and vice free.

Eva is a stunningly beautiful, kind, genuine mare with amazing paces. Would make a Dressage Schoolmistress, works to Advanced-Medium and has 90 BD Points or would be a very classy Broodmare. Good to hack out. She is willing, sensitive and can be sharp to ride so not suitable for a novice. Bred a nice filly in 2016. She has been out on loan recently so in work but not being used to her potential. Due to owner's health issues is sadly for sale

TO BE SOLD AFTER THE HORSES**Pony Exercise Cart**
