

**YORK HORSE SALES  
FRIDAY 25<sup>TH</sup> JANUARY 2019**

<b>1</b>	<b>Garryduff Lad "Alfie"</b>	<b>NO VAT</b>
	Grey      Gelding      11 yrs	143cm
<p>Registered Connemara. Alfie is a very loveable and genuine pony and good to do in all ways such as; clip, shoe, wash and load. He is the ideal pony club pony and has a lot of scope over fences. Although we have not done any showing with him, he has lots of potential to do well at M&amp;M workers. He is snaffle mouthed at all times except hunting we use a different bit.</p> <p>We have had Alfie for over 3 years and he has competed with us in all disciplines and pony club activities.</p> <p>He has 3 lovely paces which result in great dressage tests and results, the pictures do not do him justice.</p> <p>He qualified for NSEA national championships 2015 + 2016 and NSEA county championships 2016 + 2017 competing in dressage and show jumping. He came Individual 9th at Pony Club novice area dressage qualifier and competed in show jumping and eventing area qualifiers 2016 + 2017.</p> <p>Loves his hunting in the winter months as a holiday from competing. My daughter is in her last year of A levels and finding it hard to give time to both. So sadly it is time for Alfie to be loved and used to his full potential once again with another loving family.</p>
