This lovely young gelding has been lightly but successfully shown, gaining Champion Welsh Section B and also Champion Welsh Gelding. I bought him directly from his breeder in 2014, he was then professionally broken and ridden away by Steph Peto, but has since been turned away to mature. Very sadly for sale due to no rider. Good to box, clip, trim, and catch. He has a great temperament. Turned out with mares and other geldings with no issues. The scar on his eye was sustained when he was a yearling, he has no problems with this and it doesn't appear to affect his eyesight.
